## AIMS AND OBJECTIVES

- To respect the natural environment and its biodiversity.
- To raise awareness of the intrinsic value of a healthy environment and its role as our life support system.
- To campaign to promote environmental health and protection.
- To raise awareness of local and broader issues affecting the environment, via social media, newsletter, meetings, fundraising, information stalls, events, lobbying and the media.
- To promote the principles of ecologically sustainable development.
- To encourage community participation in local issues relating to ecologically sustainable development and environmental health.
- To remain informed about current issues and trends in environmental health, conservation and natural resource management.
- To participate in Local, State and Federal Government processes relating to environmental management.
- To work together with fellow members with respect and integrity to achieve the above Aims and Objectives.

I have read the NVCA's Aims & Objectives and its Constitution and I agree with them and agree to abide by them.
